

2022 GREATER ONTARIO JUNIOR HOCKEY LEAGUE SHOWCASE

# SCOUT PACKAGE

## WELCOME LETTER

On behalf of the Greater Ontario Junior Hockey League, the Pelham Panthers, the Meridian Community Centre and Town of Pelham, we would like to welcome you to the **2022 GOJHL Showcase!** After three long years, we are thrilled to be back in Fonthill, Ontario and to welcome back all of our players, teams, fans and scouts to watch all 25 GOJHL teams in action with two regular season games apiece over three days.

The GOJHL Showcase is the premiere event on the GOJHL calendar and an integral piece in the development and promotion of our players and staff. It provides an immeasurable opportunity for GOJHL players to display their skill and character to NHL, CHL, NCAA and U SPORTS scouts in one location in their pursuit of attaining a higher level of hockey and furthering their education.

The Pelham Panthers' organization has been a fantastic host of the event in the past and are looking forward to raising the bar yet again this year. Playing out of the state-of-the-art Meridian Community Centre's two NHL-sized rinks, Accipiter (main) and Duliban, provide excellent sightlines and a scouts hospitality room between them. The 143,000 square foot facility also provides comfortable amenities for our GOJHL clubs in addition to meeting space to provide educational development opportunities to our players, coaches and officials.

All NHL, CHL, NCAA and U SPORTS scouts will be granted free access to the event upon presentation of a credential and signing in at the front desk. However, this package outlines the registration process and what's included in our Scout Pass to provide further information and hospitality to scouts throughout the weekend.

In addition, our 2002-born GOJHL All-Star team will be playing an exhibition game against the OUA's Brock Badgers on the eve of the GOJHL Showcase. The game will be played at 6PM on Thursday, September 22<sup>nd</sup> at Walker Sports and Abilities Centre at Canada Games Park in Thorold, Ontario.

We look forward to seeing you from September 22<sup>nd</sup> to 25<sup>th</sup>!
